7/1 Sunday Our second Sunday in camp but our first sleeping morning through. Last call is at 9:15 and everyone on the older side needed the extra sleep! Many, most, lots of younger kids got up at 6:30 today and came to the big house. Campfire---The Senior 2s did a great job leading the songs, Noah Singer sang a song and was amazing. VJ read The Cedar Rock written by Jon Karp.

Zachary Simon played a game of ping pong and won while standing on a soccer ball.

7/2 Monday 15s Soccer Tournament. We played two opening games and qualified for the semi-finals. We won the semis in a close game 2-1 with Justin Karr and Ben Dubois scoring the goals. In the finals we lost in the last minute of extra time although Justin Karr, Tal Ben-Mamion and Andrew Gordon among others played a super game.

7/3 Tuesday -All the Senior 2s spent the day at Ogunquit Beach and ate dinner at Barnacle Billys. The water was freezing but lots of people jumped in for the waves.

7/4 We had a great day at camp on the Fourth of July! K-different Day with 34 great activities offered: car wash, roof ball tournament, day spa, box lacrosse, 'Wild Things' (a HUGE hit) capture the flag with water balloons, fishing, rugby, landscape drawing, outdoor cooking etc. etc. We had a hot dog eating contest in the afternoon between six counselors and Yoni Glazer was the clear winner with his fast eating and wiggle moves. Max Pava, visiting for the day, came in second. After the barbeque cooked by the admin team we had an evening of Pizza League....a fun fun day.

Lots of prizes given out for Gold Rush and Inspection. Bunk 6 slept in the Big House.

Lots of sleepouts at our outpost camps with the teepee, the lake post and the woods outpost all getting some good use. Many bunks go out for smores and sleepouts.

Every Warrior has gone on a moose hunt with Jeff. They have found moose tracks, arrowheads, deer poop and many other cool things in the woods. They all had parties in Jeff & Karen's house the night of their hike.

7/7 Saturday Country Western Theme Dinner—Our administration served a delicious dinner of corn bread, ribs, lemonade, fried chicken and apple pie. Country music blared from the PA system and everyone enjoyed themselves.

After dinner we had free play before the movie because of the rain.

7/8 Sunday—Sleepy morning through!! Everyone has a nice lazy morning with a buffet breakfast followed by Pizza League! David Litner caught the first frog of the season and it is on Sue's desk in a cage.

Campfire that night. Brandon Turner played the guitar and sang. Matt Say sung two songs he wrote himself and the Senior 2s led the group in traditional campfire songs. Mattson Rosenbaum's (a Sophomore in bunk 5) father, Rob, came to tell the campfire story. He told The Panther and Rabbit by Michael Parent. Thirty years ago Rob was a camper in bunk 5 and Eli Rovit's (another camper in bunk 5) father was his counselor!

Pizza League in the morning, Brother/Sister Days at Robindel, Pinecliffe and Vega. Pete Lasagna, the Bates Lacrosse coach, came over for lacrosse clinics-and this was just the morning!

Harry Potter Day!!!! Games set out, costumes made and then the rain came-----we quickly changed plans to a rainy afternoon.

Warriors had a Steal the Bacon - The Next Generation activity. Freshmen and Sophomores had an amazing Olympic afternoon. The events included, 3 legged races, burping contests, wheelbarrow races, stupid human tricks and ended with a dance off. Sam Skirloff and Andrew Gayda were the winners of the dance off.

Juniors had a toga party in the rain. They all made and wore their own togas, many had beards and mustaches, special food was cooked outside (even in the rain) by Matt and Lauren.

Seniors had basketball practice for the tournament on Monday and all Seniors not playing had a party in the big house.

Campfire that night inside the lodge. Jake Alchek, Jacob Sonenshine and Adam Kittrell played and sang for the camp. Alumni and camp dad, Jeff Snider, (Justin's dad and a cousin to Griffen Dressner and Lauren Kudisch), told a new campfire story that everyone really enjoyed—"The Aces Phone."

Tournament Monday!!! We host tournaments in soccer, archery, rock climbing, basketball and tennis. Over 30 other teams came and played. We had a great day. We win rock climbing with Brandon Gell bringing home a perfect score and Brian Benjamin had the fastest climb of the day on Climb 5.

Basketball Tournament!!! The tournament started with big wins in both games. The semi-final was a much closer game than the first two games. Justin Karr and Daniel Cooper led the team in scoring while Drew Muller and Elliot Albert grabbed nearly every rebound, leading us to a ten point victory. In the championship game we came up 8 points short. A complete team effort from Cedar kept the game close. The 15 year olds exceeded expectations and showed why they are great leaders and team players.
