

TRAVEL OPTIONS TO CAMP

Depending on where you're coming from, there may be advantages to each of these modes of transport. Please look into these options to choose which suits you and your budget best:

- **PERSONAL VEHICLE** - You are welcome to bring your own vehicle to camp. We have a staff parking lot available. The advantage of bringing your own vehicle would be greater flexibility on your time off (evenings off, days off etc.)
- **BUS TO Portland, ME** - The following bus lines have service to Portland, ME:
 - Greyhound - www.Greyhound.com or (800) 231-2222
 - Trailways - www.Trailways.com or (800) 343-9999
 - Peter Pan (affiliate of Trailways) - (800) 237-8747
 - Concord Trailways (from Boston's Logan Airport) - (800) 639-3317 or www.concordtrailways.com
 - Mermaid Travel (van service from Manchester Airport, NH) - (800) 696-2463 or (207) 772-2509 or www.gomermaid.com
- **AIR FLIGHT** - If booking a flight, the best location to fly into is Portland Airport in Portland, ME. We will pick you up at the airport (don't forget to give us your travel information in advance). Your other choices are Logan Airport, Boston, MA and Manchester Airport, Manchester, NH (Southwest Airlines flies there). Those would likely be less expensive than flying into Portland directly. From Logan Airport, take a Concord Trailways Bus to Portland, ME (see above). From Manchester Airport, take Mermaid Travel to Portland (see above)

***** Please remember to fill out the blue travel form that came with your agreement. If you are driving and have extra space in your car, please let us know and we may help others from your area carpool to camp******
